

Linda,

Attached are the invoice and PO. Nothing has gone out to teachers related to Minga as we have not rolled that out. Also here is what was shared with students during Advisor Base on 9/1, 9/5 or 9/6.

-

[Minga - Digital ID Introduction](#) - This overview shows the capabilities of what we can use the software for and for now it will be used for the IDs. The Hall Passes and Flex options are shut off. All the Student IDs are now linked to Minga so students should be able to access them.

**If they DO NOT have a phone, they may come to Student Activities to get a physical ID starting Wednesday, September 6th during a Learning Center. **

** Any Freshman who needs an ID printed, is missing a photo on their ID, or has wrong information on the ID may come to Student Activities during a Learning Center to get it fixed starting September 6th. *They must go to their Learning Center first and ask permission to go to Student Activities.*

** Please have them download the app or access the website ([Minga](#)) they sign in with their school-issued Gmail and password.

To see their ID, the students should click on “Student Tools” at the bottom right on their phones and then under My Tools click on “View Your ID”
